Purpose

The Georgia Mountains Tres Dias weekend is an opportunity for Christians to encounter Jesus Christ, to experience how other Christians live life, and to receive a new vision of what it means to be a Christian. The objective of Georgia Mountains Tres Dias is to strengthen and extend the Body of Christ by bringing Christians to a closer, more personal walk with their Lord Jesus Christ and to encourage them to Christian leadership and Apostolic Action in their environments. The main teaching of Georgia Mountains Tres Dias is God's unqualified love for each of us through His grace. We actively seek the participation of people from all the Christian denominations in our area. Georgia Mountains Tres Dias is a lay-led movement, with active participation of clergy. We are a non-profit organization. There are three phases involved: the Pre-Weekend phase, the Weekend phase and the Fourth Day phase.

Georgia Mountains Tres Dias Practice and Policy Manual

SECTION 1.0 Statement of Faith

Georgia Mountains Tres Dias is an inter-denominational ministry dedicated to strengthening one's personal life, family life, and church life.

- We believe that there is only one God, eternally existent in three persons: God the Father, Jesus the Son, and the Holy Spirit.
- We believe that the Bible is God's written revelation to humanity and that it is verbally inspired, authoritative, and without error in the original manuscripts.
- We believe in the deity of Jesus Christ, His virgin birth, His sinless life, in His miracles, in His vicarious and atoning death, through His shed blood for our redemption, His bodily resurrection and ascension into heaven, His present ministry of intercession for the church and His personal return to earth in power and glory.
- We believe that humanity was created in the image of God, but because of sin was alienated from God, which can only be removed by accepting, through faith alone, God's gift of salvation made possible by the atoning death of Jesus.
- We believe in the church as the Bride of Christ which was commissioned by Jesus, empowered by the Holy Spirit, to manifest the Kingdom of God in the world by proclaiming in word and deed the gospel of Jesus Christ until He returns.
- We believe in the spiritual unity of all believers in our Savior and Lord Jesus Christ and in strengthening the local church in fulfilling the Great Commission, by strengthening the individual and families.
- We believe in the Second Coming; the household of faith; the priesthood of believers and the resurrection of both the saved and the lost; those that are saved unto eternal life and those that are lost unto eternal damnation.

The Secretariat chairman will attend the first team meeting to introduce the Rector, and to emphasize that the Secretariat has given this Rector the authority to lead this team. The Leaders person will attend the second team meeting to give guidelines to the entire team and explain the team selection process. The Spiritual Director position on the Secretariat will also attend the second team meeting to meet with the Spiritual Directors for the weekend to go over policies and essentials. The Palanca couple will attend the third team meeting. The Weekend couple on the Secretariat will attend the fourth team meeting (at the camp) to communicate to the team how the Camp of Colors should be left. The Set-Up team attends the same meeting the Weekend couple attends.

Each team will be limited to 10 team members from one Church and up to 7 team members who have served on the preceding weekend (excluding the Rector, Back up Rector, Rover, Support Cha and Spiritual Directors as well as Spiritual Director Support.). Pescadores may serve a maximum of two weekends in a twelve-month period with the exceptions of the Rector, Rover, Support Cha, Head and Assistant Head Chas on the third weekend only. If the team is full at the last team meeting and a drop-off occurs from then until the time of the weekend, rector may select from anyone in the database, including any person who has already served two weekends in the last 12 months, after being approved by Leaders position and Secretariat Chairman. An exception may be made upon approval by Leaders position and Chairman for a member of Rector’s immediate family or their Reunion Group who have already served two weekends in the last twelve months.

Georgia Mountains Tres Dias Practice and Policy Manual

The Rector should instruct the team to be sensitive to the ecumenical nature of the Georgia Mountains Tres Dias community, and its team members. We are many different denominations, but under one God; and we need to be willing to accept each other without forcing any one type of worship on another.

If PowerPoint or song sheets are used for team meetings or on the weekend, please make sure each song is covered under the CCLI license.

2.2 Fees

Weekend Fees are to be paid by each person except the Rector, Rover, Support Cha and the Spiritual Directors and Spiritual Director Support on Women's Weekends.

Financial Accounting Procedures

There will be an advance of \$500.00 given to the Rector at the time of Rector Orientation. This advance is to cover any out of pocket team expenses incurred during team formation. Three Hundred of the \$500.00 should be repaid to the Secretariat Treasurer from the \$15.00 team fees, as soon as possible. All funds spent should be accounted for by completing the appropriate form.

Team Weekend Fees, which are currently \$110. each, will be collected by the Assistant Head Cha. Any funds remaining after all weekend expenses have been reimbursed to Rector and Area Heads should be turned over to the Treasurer.

Team Fees will be collected by the Assistant Head Cha, and are to be used for team meeting expenses. Funds that are spent should be accounted for by completing the appropriate form. Any funds remaining after all weekend expenses have been reimbursed to Rector and Area Heads should be turned over to the Treasurer. Currently these costs are \$15.00 per person. All team members should pay this fee.

The Rector is responsible to inform team members concerning fees and collections. If there are those who can't pay the Weekend Fee, encourage them to pay what they can. Inform the team of financial need without mentioning any names. Team members are to be instructed at the beginning of the team meetings to inform the Rector, at no later than the third meeting, of any financial problems. Team members must pay the weekend fee in full or make arrangements through the Assistant Head Cha for a scholarship not later than the fifth team meeting.

Georgia Mountains Tres Dias Practice and Policy Manual

No money is to be collected during team meetings for anything other than weekend fees and team fees. If scholarship money is needed, it will be brought before the team and they will be told that if they want to contribute, give to the Assistant Head Cha.

Candidate weekend fees of \$110 will be collected by the Pre-Weekend couple at Send-off.

When Rector calls to invite to serve on a team, inform them (and re-state in welcome letter) the following:

- a. Expected to attend all meetings.
- b. All team members to be available to set-up Wednesday night and clean-up after closing for the weekend as needed.
- c. The weekend fee will be \$110.00 plus \$15.00 team fee.

2.3 Area Heads Instructional Material.

Area heads will receive instructional material. Area heads should distribute information from material as needed and be responsible for training all Chas in their area of service. Instructional material is maintained on the website as well as the OneDrive.

2.4 Set-up/Take-Down

A set-up/take-down team is necessary for each team. They are to attend the fourth team meeting. The Rector will call men from the community. The set-up team members pay no fees.

2.5 Send-Off

The Head Dorm Cha will be responsible to see that someone is available to handle the luggage at Send-off and Closing.

2.6 Spiritual Directors

Those who have been ordained and/or licensed by a church, denomination, or any Christian organization approved and recognized by Georgia Mountains Tres Dias as a pastor, elder, minister (senior, associate or youth, education or counseling) and have attended a Tres Dias, Cursillo or similar adult weekend are eligible to serve as a Spiritual Director. A Christian denomination, organization or congregation must have conferred the licensing and/or ordination. At least one Spiritual Director is to be ordained and authorized to regularly celebrate Holy communion. The spiritual directors should be qualified to teach and to counsel in spiritual matters. The Spiritual Director on the Secretariat will qualify the Spiritual Director candidates and submit them to the Secretariat for final approval and placement on the Spiritual Directors database. All potential Spiritual Directors must conform to the statement of belief.

Georgia Mountains Tres Dias Practice and Policy Manual

Normally, there are three Spiritual Directors assigned to each weekend. One of the three will be assigned the responsibility of Head Spiritual Director. Every attempt will be made to have one “new” Spiritual Director serving on a weekend. “New” is defined as someone who has never served on a weekend as a Spiritual Director. At least one or possibly two Assistant Spiritual Directors will also serve.

The selection of all Spiritual Directors that serve on each weekend is the responsibility of the Secretariat Spiritual Director. The Rector will be given the opportunity to request their selection for one Spiritual Director position. Rectors are not to extend invitations to Spiritual Directors nor make Spiritual Director weekend assignments. Every effort should be made to have varying church representation from the community.

To qualify as Head Spiritual Director, one must have served a minimum of four weekends. In addition, they must have given all five Rollos, led all three morning Communion Services and the Cross Service as well as given all the Meditations. To qualify Spiritual Directors for the Head, position the following assignment schedule is usually used:

1st Team: 1-Rollo (Obstacles) 3-Meditations (1st on Thursday night chapel, Saturday morning Chapel, Sunday morning chapel) 1-Communion Service (Friday)

2nd Team: 2-Rollos (Grace and Life in Grace) 2-Meditations (2nd on Thursday night chapel, Friday morning chapel) 1-Communion Service (Saturday)

3rd Team: 2-Rollos (Divine Aid and Life in Grace) 2-Meditations (2nd on Thursday night chapel, Invisible Barrier Saturday morning) 1-Communion Service (Saturday).

4th Team: 2-Rollos (Days in Life and Life in Grace) 2-Meditations (2nd on Thursday night chapel) 1-Communion Service (Sunday).

The Head Spiritual Director is to lead and train the Assistant(s) or new Spiritual Directors and lead the counseling and ministry at team meetings as well as on the weekend. They must work in close relationship with the Rector at all times. All Spiritual Directors are expected to attend all of the team meetings like the other team members.

As a general rule, those qualified to serve as a spiritual director are expected to serve in the spiritual director position. However, they may serve in any non-leadership position outside the rollo room, which is defined as kitchen, prayer, palanca, dorm, chapel, gopher or storeroom. They may not serve as rector, in any head or area head position, or in the rollo room in any capacity. They may only serve once a year in a non-spiritual director position.

2.7 The Candidates

There will be 42 “slots” available for Candidates at 6 Tables. This includes 39 “slots from our home area and 3 “slots” for Candidates outside our home area. Six “slots’ will be held for pastors and six “slots” for singles. The New Community Liaison will submit to the Leaders the number of slots to be held open on the team to be filled by developing communities. Applications to a Tres Dias weekend will be accepted for singles (single, divorced, & widowed) and married couples. GMTD highly recommends and encourages for married couple applicants to attend a men’s and women’s respective weekend. Applications will be accepted for a married person whose spouse is unable or unwilling to attend.

Adopted change at regular Secretariat meeting 8/4/2017 Applicants who decline the first invitation to attend a weekend will be replaced on the list for the next weekend. The applicant who declines the third invitation is removed from the list and must reapply to attend. Applications will be processed into the system according to the date of the postmark or delivery. Eligible candidates include persons who have attended a “youth Weekend”, a Kairos Weekend or a Young Adult Weekend. All of the candidates are to be sponsored for participation in all phases of the TRES DIAS Movement, rather than just the Weekend. A member of a chartered Tres Dias community, or a similar community approved by TRES DIAS, must sponsor all candidates. Candidates will be accepted from all Christian denominations. Each single candidate must be 21 years old. All married candidates must have at least one being 21 or older.

Each candidate should have not attended a TRES DIAS weekend.

3.0 THE WEEKEND

The objective of the weekend phase is to prepare individuals for effective participation in the Fourth Day.

The Tres Dias weekend is carefully planned and structured for a wide diversity of men and women. It is structured to keep all the candidates moving at a rate which all can follow. Each Rollo builds on the preceding rollos, and each day builds on the previous day.

Thursday. The emphasis of Thursday is low-key, relaxed and non-threatening. Singing is a key element throughout the weekend as it gets people involved and builds community. Two clergy meditations are given on Thursday evening, and are structured to encourage a time of reflection and self-examination. A time of silence, an opportunity to “break away” from the outside world is started.

Friday. The focus on Friday is on who we are and who Christ is and what we

Georgia Mountains Tres Dias Practice and Policy Manual

need to know to live a Christian life. The clergy meditations each morning set the theme for the day. Friday is usually the hardest day, because the candidates are in so many different places. The team must be careful not to impose their own expectations on the candidates and to respect the freedom of those who do not seem responsive. The job of the team is to open a door, offer a gift, but not to push the candidates through the door or force the gift on them.

Saturday. The focus on Saturday is on what we have to do in order to live a life in grace. It is also the community-building day. Again, the morning meditation sets the tone for the day. Many people begin to relax and “come alive”. It is important that this happens “naturally”, and not be forced. It is not the job of the team to push anyone into hugging, praying out loud, raising hands in praise, etc. Rather, it is the job of the team to love, and that means to be sensitive. It is the responsibility of the team to demonstrate God’s unqualified love.

Sunday. The focus on Sunday is outward and prepares the candidates to leave the weekend and move back into the world. The theme is how a Christian can influence others. The Tres Dias method for assuring a sound and successful Fourth Day is presented. At the Closing, the candidates realize that they are a part of a larger community of Christians who truly care about them. They see that living the Fourth Day is possible because these people are living it.

The weekend is only a beginning to meeting the objectives of Tres Dias. Hopefully, the candidates have been prepared for effective participation in their Fourth Day.

3.1 The Rector

The Rector is really the hub of the Tres Dias weekend. All of the structure of the weekend comes together in him/her. He/she is not to rule or arbitrarily decide what and how others should do, but rather to coordinate the weekend constantly through the normal and proper ways that have been developed by the Tres Dias Secretariat. The Rector is the leader therefore he/she is the principal servant of love and harmony between the candidates and the team.

The Back-up Rector is to assume leadership of the weekend if the Rector becomes incapacitated prior or during the weekend, and is unable to complete his/her duties.

3.2 The Team

1. No cameras, cell phones or electronic devices for personal use should be brought to the weekend.
2. The Serenade (Mananita) on Saturday evening should be limited to 30 minutes.
3. Non-Pescadores, candidate spouses, and individuals under the age of 21

Georgia Mountains Tres Dias Practice and Policy Manual

are not allowed to attend the Saturday evening serenade. The Support Cha is to make this announcement during the serenade practice.

4. There is to be no individual palanca on candidate beds, but all candidates may get palanca on their bed of same/similar kind. No doctrinal material of any kind will be distributed on the weekend as palanca or otherwise. Any questions about doctrinal material should be directed to Head Spiritual Director.
5. No outsiders (non-team members) are to visit the campground except to deliver palanca, be part of the Reunion talk, or to attend the Serenade and Closing (includes spouses, reunion members, family). In the case of being presented as the Rector's reunion group, they shall be secluded so as not to hear a rollo. At the proper time, they shall take part in the Rector's talk and then shall leave the area. The Head Kitchen and Assistant Head Cha are to monitor and enforce, explaining Secretariat Policy. Candles may be used in Rollo Room, Chapel, and Dining Hall only. Lit candles are never to be left unattended. It is suggested that team use flashlights during the Sunday morning serenade of candidates.
6. In case of malfunction of mechanical equipment, please do not attempt to make repairs; instead, report problem to the Assistant Head Cha who will make decision if to call caretaker of the campground, whose number is posted in the Kitchen and by the copier in the Tech Cha & Communication Cha's dorm room.

3.3 The Candidates

A candidate must actively participate in a weekend through noon on Sunday to be considered as completing a weekend.

4.0 THE FOURTH DAY PHASE

The weekend is only the beginning to meeting the objectives of Tres Dias. Hopefully, the candidates have been prepared for effective participation in their Fourth Day.

We encourage all Pescadores to participate in a Reunion Group. We will sponsor regularly scheduled Secuelas. At each Secuela we will include a Fourth Day talk to be given by someone who has previously attended a Tres Dias equivalent weekend.

4.1 The Secuela

The purpose of the Secuela is to fellowship with the body of Christ and to lift Him up through praise and exhortation. It should be a holy, joyful, special time of drawing aside for the purpose of worship and praise. The focus should be praise and worship, building community and Communion. The Fourth Day couple must have attended a "weekend" (Tres Dias, Cursillo, Walk to Emmaus). Their close

Georgia Mountains Tres Dias Practice and Policy Manual

moments in their Fourth Day can be shared, but give special emphasis to their Reunion Group and how supportive the Secuelas have been.

Floating Reunion Groups is a sharing time when everyone divides into small (6 person) groups and shares about fifteen minutes. Close Moment sharing is pop-up sharing of different individual's close moments (not to exceed 2 minutes - stress this time frame).

The Leaders Couples will have sign-up sheets at Secuelas for Pescadores to sign, indicating their desire to work a team. Sheets will also be provided at serenades and closing.

5.0 THE SECRETARIAT

Georgia Mountains Tres Dias is a chartered member of the National Assembly and National Secretariat of Tres Dias. As such, it totally subscribes to the constitution and by-laws of the National Organization and will adhere to the "Essentials of Tres Dias" as prescribed by the National Organization.

All other lay positions on the Secretariat will be eligible to serve as Rector, if they qualify. If a member of the Secretariat is nominated to serve as a Rector, they must leave the room during the discussion, but may return and may vote, as they feel led of God. 6.0 THE ESSENTIALS OF TRES DIAS

6.1 Preamble

The TRES DIAS Movement endeavors to bring Christians to a closer, more personal walk with their Lord Jesus Christ and encourage them to Christian leadership and Apostolic Action in their environments.

TRES DIAS is based on the principles, the method, and the teachings of the Roman Catholic Cursillo movement initially proposed by Bishop Juan Hervas, Eduardo Bonnín and their fellow Christians. Each candidate goes through three phases of the TRES DIAS movement: the Pre-Weekend, the “Three Day Weekend”, and the Fourth Day. TRES DIAS is a Christian ecumenical movement.

“The founders of the Cursillo movement saw a world of great need around them. They knew that the answer to the needs of the world had to be Christ and His Grace; but, they saw Christians who did not live for Christ, and they saw a church that was ineffective and without life. They developed the Cursillo to meet part of this problem; to provide any part of the church which was ready to undertake the formation of Christian life with all the people it needed — people who would have the deep dedication to Christ and to bringing all peoples to Him — people who would undertake a regular program of formation in Christianity, and who would make their Christian life conscious and vital — people who would understand how to be a part of a unified apostolic effort.”

The main teaching of TRES DIAS is God’s unqualified love for each of us through grace. It asks each member of the TRES DIAS community to grow in their personal piety, to study God’s Word and other Christian writings and to express their love for Christ in Christian Apostolic Action.

These three aspects of Christian growth are stressed in the cloistered environment called “the Weekend”. An invitation is issued during the weekend for each Pescadore to join a small group of his/her own choosing for continued support, prayer and encouragement.

In order to ensure consistency and stability within the TRES DIAS movement there must be certain essential aspects to which all TRES DIAS organizations conform. These Essentials fall into two categories: those that are quantitative, and those that are qualitative in nature. It is the intent of TRES DIAS to use both of these categories as criteria for chartering local Secretariats.

Although the three days are referred to as “the weekend”, the three days of the TRES DIAS weekend need not include Saturday and/or Sunday. The “TRES DIAS Weekend” may be held on any three consecutive days of the week.

Georgia Mountains Tres Dias Practice and Policy Manual

It should therefore be the policy of local Secretariats to comply with these Essentials. Policies of local Secretariats that deviate from these Essentials must be reviewed on an individual basis and are subject to the approval of TRES DIAS.

6.2 The Essentials of the Movement

1. TRES DIAS is a Christian movement.

The ultimate objective of the TRES DIAS Movement is to strengthen and extend the Body of Christ. No TRES DIAS organization shall change the teachings or practices of the TRES DIAS Movement to accommodate the participation of non-Christians.

2. TRES DIAS is a Christian ecumenical movement

All TRES DIAS organizations shall actively seek the participation of persons from all the Christian denominations in their environment.

All TRES DIAS organizations shall stress those things that the Christian denominations have in common and respect those things that are different.

All TRES DIAS organizations have the duty and the authority to protect the TRES DIAS ecumenical structure.

3. TRES DIAS is a lay-led movement.

TRES DIAS is a lay-led movement; however, the active participation of the clergy is both essential and to be encouraged.

4. TRES DIAS is a non-profit movement.

TRES DIAS organizations should pursue prudent fiscal policies. They shall avoid accumulating assets beyond what is required to carry out their part in the TRES DIAS movement.

5. The TRES DIAS Movement shall not assume the role of a denomination.

TRES DIAS is not a church substitute; rather, it encourages Christians to worship and serve in their home congregations as leaders.

Georgia Mountains Tres Dias Practice and Policy Manual

6. TRES DIAS is not a service organization.

The TRES DIAS movement encourages Pescadores to participate in “worthy projects.”

TRES DIAS organizations shall limit their activities to those related to carrying out the TRES DIAS method.

6.3 The Essentials of the Tres Dias Method

The three sequential phases of any individual’s involvement shall be:

1. The Pre-weekend phase
2. The Weekend phase
3. The Fourth Day phase.

The object of the Pre-weekend phase is to prepare individuals for participation in the Weekend.

The purpose of the Weekend phase, in terms of the method, is to prepare individuals for effective participation in the Fourth Day.

6.4 The Essentials of the Pre-Weekend Phase

1. That the candidate be sponsored for participation in all phases of the TRES DIAS Movement rather than just the weekend.
2. That the candidates be sponsored by a member of a chartered TRES DIAS community or a similar community approved by TRES DIAS.
3. That the candidates have a desire for a closer relationship with Jesus Christ as their Lord and Savior.
4. That the candidates be accepted from all Christian denominations.

Responses to inquiries and spontaneous evidences regarding empowerment of the Holy Spirit.

In the case with a candidate or team member who spontaneously demonstrates an outpouring of the Holy Spirit "in public", a Spiritual Director must explain what has happened with scriptural reference and then move on with the schedule.

In the case with a candidate or team member who inquiries about the Holy Spirit; Generally, those persons should be directed or invited to stay behind in the next chapel service to be ministered with or counseled by a Spiritual Director. In either situation, the Spiritual Director must seek to "bridge the gap" between churches by explaining that some churches describe this empowerment as "baptized with, by or in the Holy Spirit"; other churches describe this empowerment as becoming ready for each of us to do His work on earth that God planned for us. In either case, this is a demonstration of Piety, which is complete surrender of one's whole life to God.

The Spiritual Director will explain that salvation makes us ready for Heaven. The Holy Spirit was sent to finish the work of the ministry and to get our faith to come alive. 1 Corinthians 12:7-11, It is He who bestows His divine empowerments upon those willing to use them. John 20:19-23, Luke 24:49, It is Jesus who inbreathed the disciples with the Holy Spirit, as examples.

This is not intended to be an announcement, a "teaching" or meditation or part of the "script" for a weekend. We pray "Page 14" earnestly and seek the genuine spontaneous moves of the Holy Spirit. We do not seek or approve planned teachings or orchestrated events on this subject by "man" apart from the "script" (rollo's and meditation's)

1. Be flexible. Move past the familiar. He releases new authority as we are willing to receive and use it.
2. Be prophetic. We must hear the word of God for **now**.
 - a. We must be awake.
 - b. We must desire to hear Him.
 - c. We must believe we have the ability to hear Him. "My sheep hear my voice."
3. Be obedient, "You shall be my witness", Acts 1:8
4. Develop progressive faith. Little faith becomes great faith, then most holy faith. 2 Corinthians 13:5
5. Act upon our **spiritual gift** that is **in** us. 2 Timothy 1:6, "Fan into flame the spiritual gift which is in you."

Adopted at regular Secretariat meeting October 2004. To be included in Practice and Policy Manual of Georgia Mountains Tres Dias.
