A Message From The Chairman

June 2014

All of us here in our GMTD Community have a very special opportunity coming our way this summer. Mark your calendars for July 25-27th as we are blessed that the 35th Annual Tres Dias International Assembly is coming to the North Atlanta Area.

This great event is being hosted by Tres Dias of North Georgia and I am sure we all appreciate their efforts in bringing the Assembly to our own backyard. I encourage us all to be in prayer for this important gathering of Tres Dias Communities from all over the

world as they conduct God's business of what we call Tres Dias.

These meetings are full of great information, clinics, meeting other communities, and swapping ideas, etc. Along with lots of great worship and great food.

I encourage anyone who really wants to go deeper in their walk on their 4th Day Journey to attend and become more involved in this wonderful tool that God uses called Tres Dias. There are so many things that are to be learned if we only open ourselves up to the possi-

bilities and make ourselves available for God to use us.

To register or find out more information please click [here](#).

I hope to see a good representation from our community to show our support for Tres Dias of North Georgia as they host these meetings. I will be there, and I hope to see you there as well. Don't hesitate to contact me if you have any questions or just to let me know you will be there. Be blessed.

Words cannot begin to describe the faithfulness of our Father! I feel so blessed to have been chosen to lead the team of such Godly men of GMTD #68. When the team meetings began in preparation for the weekend, it was clear that God was preparing the team and candidates for an awesome weekend.

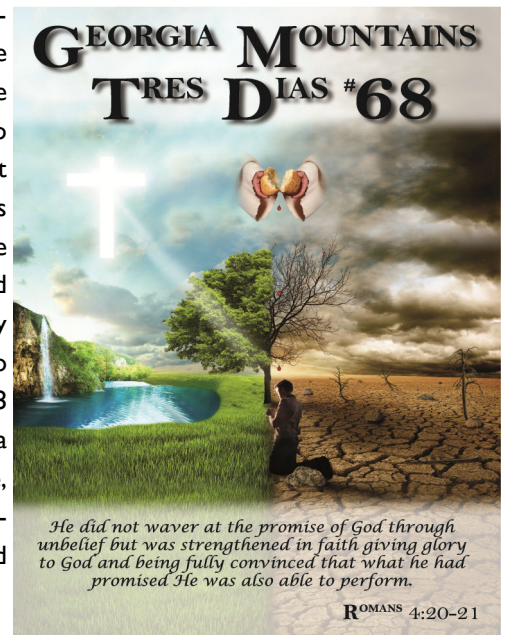

During our meetings and the weekend our verse continued to remind us that our "GOD IS ABLE." Able to keep his promises, able to heal, able to redeem, able to bind the broken, able to do exceedingly, abundantly more than we could ever ask or think, and that is exactly what he did. The candidates arrived on Thursday night ready to receive from our Father, and He

fulfilled all of His promises in the lives of these men. Lives were changed for all of eternity as we were reminded that "Our God Is Able."

I stood in amazement seeing how our Father cares so much for us that He is willing to meet all of our needs and restore relationship with Him. It is just an example that when a team, community, and group of Pescadores come together in unity, that God will honor our faithfulness. This would not have been possible without the prayers and support from the team and community. I would like to personally thank everyone in the community who played a part in making the Men's #68 weekend so spectacular. From the palanca you gave, to those who came to serenade, to the many prayers and words of encouragement that were spoken. All of you had a part in changing lives for eternity.

Thank you from the bottom of my heart.

How deep the Father's Love for us, how vast beyond all measure....

There is no way we can comprehend even a fraction of what our Lord is offering to us, but if we set ourselves aside, and look to Him with open eyes and open hearts, He can, and will, give us just a glimpse of His Glory. We become aware of the fact that we are just tiny pieces in His Great Master Plan, grateful to be able to watch how He weaves our lives together to create such a marvelous tapestry. Even when we don't understand, we know beyond a shadow of a doubt, that we have been touched by the Hand of God and will never be the same.

He lets us know there is no need to figure everything out, especially since we couldn't if we tried...Our job is to love Him with all

our hearts and to love one another, with HIS Love, allowing His Grace to unify us, washing away all that isn't of Him, leaving only His Presence to be received and His Will to be done.

The willingness of the #68 team to go about our Father's business was truly astounding. What an honor it has been to serve alongside such a faithful and devoted group of women. He prepared our hearts, through laughter and tears, and when the candidates showed up, it felt like a divine family reunion! There was so much laughter and joy after the reception on Thursday you would have thought it was Saturday night decuria!! And that was just the beginning! We continue to be blessed with praise reports of answered prayer, healing, and restoration.

God showed us that He has it ALL covered, and that, together, we stretch and grow, and live and love, under the shadow of His Mighty Wings! We can find refuge knowing that He is with us and He is faithful. He

keeps His promises. We are learning to be still, and to seek His Face in all things...to wait on the Lord's guidance, and trust, that indeed, Father does know best!

Attacks From the Enemy Build Our Faith

By Joe Johnston

GMTD Secretariat - Food Couple

I believe that the nature of the flesh tends to take aim at the good with the motives to bring down to the same level rather than helps to succeed. We have heard it said: "The further up the ladder you go, the bigger the target you are." Another common quote I've heard several times: "Crabs in a bucket pull down any others that are reaching for the top". Well, I *ain't a crab and my ladder to heaven is protected by Jesus!* So is yours!

I think it is true that the more successful the, Christian the more the devil attacks! We can counter this. Just remember Jeremiah 29:11 says: *'For I know the plans I have for you,' declares the Lord, 'plans to prosper you and not to harm you, plans to give you hope and a future.'*

Just recently we have had multiple *major* attacks on people in our Tres Dias community and everywhere else. This brings me to my point. What do Christians do when we are going through stressful situations, even life threatening situations? We *PRAY!* We *pray to Jesus - to God - by way of the Holy Spirit!*

We lean on and depend on helps from Heaven. No wonder the devil attacks us! He's afraid of the ultimate! He hates it!

We have defense weapons to ward off these

attacks: Acts of kindness; belief in angels; prayer; support for each other; actions to teach others who and what Satan is and how he is defeated. Faith...

Ephesians 6:16 - "Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked."

I also believe that storms can be of evil, too, not just people and principles of the underworld: Things like tornados and hurricanes scare me. Nothing this destructive can be of good. They are natural events—of nature.... scripture proves they can be commanded away. We know Jesus did so.

Luke 8:24 - The disciples went and woke him, saying, "Master, Master, we're going to drown!" He got up and rebuked the wind and the raging waters; the storm subsided, and all was calm. Jesus said: "You of little faith, why are you so afraid?"

I think the lesson in this is that we should have the faith to know that through prayer, we can pray for protection from nature's storms. I am not trying to say we have the power to do so, but our almighty God does and He is motivated by faith building prayer! How many times have you heard testimony or have personally experienced prayers at work that diverted natural disaster?

Satan has attacked all of those that are reading this. He will keep on, too. We have the defense needed to repel these attacks.

Things like unity in prayer in multiples of prayer warriors. I am still impressed with a recent rector's rally call to prayer and support: "SWORDS UP!" It's exciting to know we can team up and put Satan under the attack of mighty angels!

Psalm 91:11 - For he will command his angels concerning you to guard you in all your ways.

As time moves on Satan has stepped up his attacks. I don't need to witness what we see happening in these latter days... it proves what the Bible tells us: Faith and Action in our God is our defense.

My daily reader, a gift from another recent rector, has a few lines to share: (from a book named: The Utmost for the Highest by Oswald Chambers on May 2 page): "If we have only what we have experienced, we have nothing; if we have the inspiration of the vision of God, we have more than we can experience. Beware of the danger of relaxation spiritually."

Brings to mind another quote I heard at a business meeting from a guy named Casey Combden: "What you don't know is what you don't know, but to know that you know and not to do, is not to know."

Pray and repel Satan! The best fact of all... WE PRAY- WE WIN!

Have faith! De Colores !

Vida Nueva

Vida Nueva is a weekend retreat for young men and women ages 15-20. Vida Nueva is Spanish for "New Life" and like the Tres Dias, VN weekends are intended as an encounter with Jesus Christ. The weekends are similar to the structure of a Tres Dias weekend with certain changes to make it more relevant for teens. VN weekends begin on Friday evening and end on Sunday evening. The cost to sponsor someone on a VN weekend is \$80. If you have a teenager who you would like to sponsor, you can download an application at the web-site www.gmvn.net. A group of teens who have made a Vida Nueva weekend recently put together a video to tell what VN has meant to them. The video can be found at www.youtube.com/watch?v=8DNV99f2Hko. Georgia Mountains VN currently holds two sets of weekends a year, one in the fall and one in the spring. The next set of weekends are November 6 - 9, 2014 for the Young Women and November 13 - 16, 2014 for the Young Men.
