Legacy

By: Milt Underwood
Chairman, GMTD Secretariat

That is a word that we are all familiar with. One of the definitions I love is "something precious that is handed down". When we were younger it didn't mean all that much to us, but I can tell you that as I grow older the word Legacy means more and more to me. I think about the Legacy that I will leave to my family when I am gone and to the world around me. Trust me as you get older you will have these same feelings. In thinking about the Legacy I want to leave my family, I can't help but look back with a grateful heart to the Legacy that my parents left to me. One of unconditional love, from parents who loved us and loved our God and modeled to us what they wanted us to become. I thank God every day for my parents and all those in my life that have modeled for me behavior and character that I have learned from and tried to attain.

My thoughts then turn to our members of The Secretariat of Georgia Mountains Tres Dias and to myself as Chairman of this wonderful group of servants and this truly special community. I think of what has been entrusted to us from our predecessors but more than that by God. We all commit to serve faithfully in our positions, putting our own agendas aside and giving of our time and the talents that God has placed in us to serve Him and our GMTD Community. We have been entrusted with something so very special, handed down a precious gift to watch over, protect, and eventually pass on to

others who God calls to serve in these positions. I know we all take this calling very seriously and I appreciate everyone on this board and those who have served previously. I know how hard they all work and the dedication that they put forth in doing the very best they can for our God. I thank them for all they do. As we head into 2016 we will be faced with many important decisions, from rectors, to new board members to policies etc., all that will help shape what our GMTD Community looks like going forward. We have been handed our Essentials and we have our P&P that guides us through these decisions and of course we seek God for His direction in all that we try to accomplish here. We understand that decisions made here impact countless lives, and we always are sensitive to these things as we seek God for direction. We all understand and appreciate what God and our predecessors have entrusted to us.

I'm entering my last year of service as your Chairman and I want to thank you, our GMTD Community for all of your support, and prayers for our Secretariat. When I think of my position and what has been passed on to me, entrusted to me, by not only God but my our previous Chairman John Rhodes, I am truly humbled, and then it hit me, Legacy. John passed along to me a Legacy that was passed on to him by Don VanLandingham. Don received it from Bill Pittman and Bill from Rollie Bevers. Stay with me now,

Legacy - Continued

This Legacy was passed on to Rollie from Ron Gailey who received it from Morgan Adams and here we are all the way back to the infancy of GMTD when our first Chairman got it all started as David Davis took what God had given him through Tres Dias and forged ahead on this path eventually handing it to Morgan and all of us to come for safe keeping. Wow as God brought me to this realization, I have to tell you I got pretty choked up, ok who am I kidding I cried like a baby because I love and respect each of these men more than I can express to you. I have served alongside of them as many of you have, doing many different jobs and they were and are always the same, true servants who love our God and our community. All of these Godly men have served us all with much honor and wisdom as have every Secretariat member both past and present. What I understand now is how God used these men in their love, service, and counsel to help prepare me, to prepare us all for the Legacy they have passed down, not only to me but to every member of our GMTD Community and yes that means you. You were

sponsored and handed a Legacy by your sponsor and by all those that came before us.

I ask one thing of you as we move into 2016, and that's to examine what you have done with that Legacy, in serving others and in your church, by becoming Leaders as we all know the stated purpose of Tres Dias. We need excited leaders to step up and be willing to serve on our Secretariat and to become leaders as God calls them on His weekends. How about in sponsoring and sharing what God has done for you? You have the same responsibility as we all do, to protect, nurture and share, or pass down to others this precious gift we call Tres Dias. As we near our GMTD 73 men's and women's weekends, how can we all further God's Legacy that He has entrusted to us? Let's work together to make this our best year yet as we give God all the glory.

In His Love

Vida Nueva

Vida Nueva is a weekend retreat for young men and women ages 15-20. Vida Nueva is Spanish for "New Life" and like the Tres Dias, VN weekends are intended as an encounter with Jesus Christ. The weekends are similar to the structure of a Tres Dias weekend with certain changes to make it more relevant for teens. VN weekends begin on Friday evening and end on Sunday evening. The cost to sponsor someone on a VN weekend is \$80. If you have a teenager who you would like to sponsor, you can download an application at the web-site www.gmvn.net. A group of teens who have made a Vida Nueva weekend recently put together a video to tell what VN has meant to them. The video can be found at www.youtube.com/watch?v=8DNV99f2Hko. Georgia Mountains VN currently holds two sets of weekends a year, one in the fall and one in the spring. The next set of weekends are March 18-20, 2016 for the Young Women and April 1-3, 2016 for the Young Men.
