

## ***MUSIC CHA DUTIES AND RESPONSIBILITIES***

### **TEAM MEETINGS**

Talk to the Rector before team meetings begin regarding your role and the Rectors song choices. Plan on leading worship at each team meeting (two to three songs). It is a good idea to select songs that most people know unless you are teaching a special song such as the weekend song. Georgia Mountains Tres Dias does have copyright permission for using copies of songs. Our License number is: 923272 from Christian Copyright Licensing International.

Discuss any ideas you may have regarding special music with the Rector prior to the weekend. If other music is requested you may have to provide.

### **ON THE WEEKEND**

Be available to the Rector at all times, in Rollo room and Chapel. Generally, you should be where the Rector and the candidates are and be ready to lead in worship at a moment's notice. Also, be sure to stay in the Rollo room during the Pastor's rollos in case they need you to lead a song during ministry. Serve as candle lighter for the Spiritual Director's rollos. (Check with Rector).

Serve as a special cha in the rollo room to the Rector, Head Cha, and Spiritual Directors bringing drinks, tissues, etc., as requested. Teach the DeColores song to the candidates. Make sure they know it well!!

### **CHAPEL SERVICES:**

Lead worship in chapel services per the Spiritual Director in charge of that particular chapel. Choose songs for each chapel service that go with the theme of that day. Be available for Kitchen Communion if requested. Be available to lead worship at all times and **be flexible**.
