Meditation -

By Ron Glaze, Spiritual Director

This meditation will be my last to this body as Secretariat Spiritual Director. In June of 2019 my term will be finished. These two and a half years have gone by swiftly, and I'm sure the last six months will be the same. How many times have we heard that or thought that about so many times in our lives? Time is that element that defines our lives. The past is irretrievable and our only ability to affect our future is the gift of "now". Now is that crucial pivot point that sets up the future, either for better or worse. This knowledge should make us prayerful and desirous of godly wisdom to direct our decisions.

My decision to accept the responsibility as the Spiritual Director for the Secretariat was one of those 'now' moments for me. I asked, "As a pastor, do I have the time?" You also have thoughts like, "There are other men who are much more capable than I." Anyone who is asked to fill this or any Secretariat position will have to work through similar questions. I found that, if I am willing, He is able. Our Father will always support those who have a desire to serve and bless.

I write this, as I have been made aware of the constant need of men and women who will hear and obey the call to service in this amazing community. A large part of my reason for answering this call was the many testimonies from people whose lives were forever

changed by their various weeknds. Many have solidified their faith walk or renewed their vows to serve their King, and truly many have found Jesus as their savior. What a wonderful privilege to be a part of the process.

I would describe the Secretariat as the 'axel' on which the 'wheel' of Tres Dias turns. The weekends are birthed and brought forth bby this body as every important member ful fills their role in taking them from idea to a tangible event. I am in awe of my fellow servants, who work so hard to make this tool of GMTD an effective instrument for the glory of the Father, Son, and Holy Spirit. It is a privilege to serve along side all of you.

For all of you in this community, please consider giving of your time and talent as a Secretariat member. GMTD is one of the strongest Tres Dias communities in our nation. This is die to strong leaders past and present, who have given of themselves to build up His kingdom. Building leaders is the main emphasis of Tres Dias, so if you hear His call, step up and be obedient to His call. Be aware that this is your 'now' moment. Here is my challenge to all of you, my fell Pescadores, keep on fishing!

De Colores!

IN MEMORY OF...

David Lee Parker, GMTD #22, born November 27th, 1957, returned to his Heavenly Home on January 1st, 2019. His Devotion to his loving wife, family and friends was an incredible witness to the love he had for Jesus. David was a man after God's Own Heart and displayed it through his contagious praise and worship leadership beginning at age 15.

David was truly a humble, caring spirit filled with musical talent, the voice of an angel and a wonderful sense of humor. David was blessed with a close-knit family who he laid a firm foundation and helped build their lives in Jesus Christ.

David is survived by his wife, Carol Parker of Talking Rock, children, grandchildren and a host of aunts, uncles, cousins, nieces, nephews and other relatives.

The family will accept contributions to White Umbrella. (<https://wellspringliving.org/give/> or 1040 Boulevard, Suite M; Atlanta, GA 30312 or 404-948-4673).

Georgia Mountains Vida Nueva

Vida Nueva is a weekend retreat for young men and women ages 15-20. Vida Nueva is Spanish for "New Life" and like the Tres Dias, VN weekends are intended as an encounter with Jesus Christ. The weekends are similar to the structure of a Tres Dias weekend with certain changes to make it more relevant for teens. VN weekends begin on Friday evening and end on Sunday evening. The cost to sponsor someone on a VN weekend is \$80. If you have a teenager who you would like to sponsor, you can download an application at the web-site www.gmvn.net. A group of teens who have made a Vida Nueva weekend recently put together a video to tell what VN has meant to them. The video can be found at www.youtube.com/watch?
