The Camp of Colors Story

A retelling, by Edral Adams

Following my mountain top experience with the Lord Our God during North Florida Tres Dias #4, I came home filled with anticipation in what God was doing through Tres Dias. In my heart I knew Tres Dias was a ministry the Lord was using as a vehicle of love to draw His body, the Church, together in the strength only He can give. The Lord led me to an old elementary school that had been converted into an automobile salvage yard. The building itself was of sound construction, but it had been badly neglected. It was dark, the roof leaked, black oil and grease was everywhere. Every room was full with a different assortment of automobile parts. The halls were lined with trash, shelves piled full of old used parts and the floor littered with parts of every description. These very same halls which had been filled with joy and laughter of innocent children were now filled with dirty clutter and unorganized gloom. Walking through the building, one could hardly visualize what God had in mind for this rundown trash filled building. Then God gave me the eyes to see and the spiritual ears to hear the songs of praise which would someday fill these spaces. I brought different people to

view the place. Some could I see the vision and some could only see a junk yard hopelessly strewn with trash and dirt. The vision caught on with some of us. We became excited about the potential as the excitement spread until God had all the right people in place. They came from every place and walk: Engineers, Electricians, Plumbers, Professional Painters, Graders, and Carpenters. But most of all He sent givers. Our

next step was to approach the owner and ask if he would sell. He not only said he would, but he would offer renovation; a chance to clean the floors of our lives and leave the dirt at the foot of The

Cross, and to cover the unrepaired holes and broken pieces with the shed blood of our Lord Jesus Christ. Id give us two years to raise the money ... interest free!!! Thank you, Lord! I left two gold oins...to seal the deal until God would provide the money.

"But most of all He sent givers"

We began renovation almost immediately with a virtual army of free labor from the four communities using the camp: Atlanta Christian Cursillo, Tres Dias of North Georgia, Georgia Mountain Tres Dias and Vida Nueva of North Georgia. Now with over \$150,000 in materials and untold hours of labor, Camp of Colors is the spotless facility you see today.

The Story of The Camp of Colors symbolizes our own lives. Lives filled with innocence and laughter as children. Then, usually Comes layer upon layer of dirt and junk – all of which is known as Sin. The Weekend offers renovation; a chance to clean the floors of our lives and leave the dirt at the foot of The Cross, and to cover the

unrepaired holes and broken pieces with the shed

blood of our Lord Jesus Christ.

“And ye shall be as white as snow.”!

Georgia Mountains Vida Nueva

Vida Nueva is a weekend retreat for young men and women ages 15-20. Vida Nueva is Spanish for "New Life" and like the Tres Dias, VN weekends are intended as an encounter with Jesus Christ. The weekends are similar to the structure of a Tres Dias weekend with certain changes to make it more relevant for teens. VN weekends begin on Friday evening and end on Sunday evening. The cost to sponsor someone on a VN weekend is \$80 and is \$100 for team members. If you have a teenager who you would like to sponsor, you can download an application at the web-site www.gmtnet.net. A group of teens who have made a Vida Nueva weekend recently put together a video to tell what VN has meant to them. The video can be found at www.youtube.com/watch?v=8DNV99f2Hko. Georgia Mountains VN currently holds two sets of weekends a year, one in the spring and one in the fall. The next set of weekends are October 17-20, 2019 for the Young Women and October 24-27, 2019 for the Young Men.

Secuela

August 24, 2019 @ 6:00p.m.

Living Word Church

215 Pioneer Industrial Blvd.

Jasper, GA 30143

- Bring your favorite covered dish, enough to serve at least 10 people.

The GMTD Secretariat has voted and agreed that Secuelas can be open. What does this mean?

If you have invited someone to attend a GMTD weekend and they seem hesitant, invite them to a Secuela. This will give them a glimpse of Tres Dias by hearing the testimonies and seeing the results of what God can do through a Tres Dias weekend. We do not want to miss an opportunity that God has given us to show others the love and saving grace of Jesus Christ. If one person changes their mind and attends because of what they were shown by coming to a sequela - IT IS WORTH IT!

- Sponsors, if you have sponsored candidates, and have never brought them to a Secuela, please plan to bring them to the Secuela or make arrangements for another GMTD Community member to bring them.
- ♦ Childcare will NOT be provided.
